# Important Race Information

Pump & Run participants are required to bench press their body weight (or a percent of their body weight) as many times as possible, then run a mile or 5K. Each successful repetition of the bench press earns competitors 15 seconds off their mile or 5K finish time. The winner of each age division will be the fastest time after deductions of time, thus demonstrating both endurance and strength!

# **Lifting Requirements:**

All divisions must complete at least one bench press to be entered in the Cannonball Pump & Run. For each repetition the arms must be in a vertical position and fully extended to be credited.

All those who fail to complete at least one bench press requirement will be entered in the 5K Run or Mile Run only.

### Males

HS thru age 39 must bench press their own body weight. Age 40 to 49: 90% Age 50 to 59: 80% Under 14 and age 60 or over: 70%

### **Females**

HS thru age 39 must bench press 60% of their body weight. Age 40 to 49: 55% Age 50 to 59: 50% Under 14 and age 60 or over: 45%

# **Upcoming Races:**
